

Christmas Bingo

30 picture bingo cards + calling cards

What's inside

- 30 different bingo cards, 2 per page
- 36 calling cards to cut out
- A call sheet to check off each picture

How to play

1. Give every player a card and some markers (mini marshmallows, chocolate chips or buttons work great).
2. Cut out the calling cards and put them in a bowl or a stocking.
3. The caller pulls one card at a time and reads it out. Check it off on the call sheet.
4. Players cover that picture if it's on their card. The center star is free.
5. The first player with 5 in a row (across, down or diagonal) shouts "BINGO!"

Fun ways to play

- **Four corners:** cover all 4 corners to win.
- **Picture frame:** cover the whole outside edge.
- **Blackout:** cover every square. Great for a longer game.
- **Christmas tree:** cover the top middle square, the 3 middle squares of rows 2 and 3, all of row 4, and the middle square of row 5 for the trunk.

Printing tips

- Print at **Actual size / 100%** on Letter paper (it also fits A4 with "Fit").
- Cardstock makes the cards sturdy enough to use again.
- Slip cards into sheet protectors and use a dry-erase marker for a no-mess game.
